

COMMUNITY WILDFIRE MITIGATION TRAINING

MAY 23RD-24TH

**Calabasas Community Center
27040 Malibu Hills Rd, Calabasas, CA**

Friday 5pm-7pm & Saturday 9:30am-4:30pm

Learn about wildfire regimes and how home hardening and defensible space practices can reduce the vulnerability of your home and community from ember ignition.

Completing this training will enable you to:

- Become a Home Wildfire Assessor
- Become a Firewise Community Leader
- Gain knowledge to better protect your home and family
- Help your community become more resilient to wildfire

RSVP VIA EVENTBRITE

This training is available to attend both in-person and via Zoom. However you will not be able to do the Structure Analysis via Zoom and therefore will not be able to receive your certificate.
